Style: CT1S400G  
Make: Lakeland

### Features:

Lightweight cost effective chemical suit for protection against splashes and sprays of hazardous chemicals in Type 3 and 4 applications. It gives Protection against a range of commonly used chemicals. Suit comes with Stitched & taped seams for strong and fully impervious seams.

- PolyCoated
- Yellow Fabric
- Bound Seams
- Back Entry
- Zipper
- Storm Flap over Zipper
- Hood with Mylar Face Shield
- Boots
- Elastic Wrists
- Air Hose Hook-Up

### Sewn and Bound (See picture)

A sewn and bound seam joins two pieces of material with an overlay of similar material and is chain stitched through all of the layers for a clean finished edge. This provides increased holdout of liquids and dry particulates.
